Summary

Resourceful and experienced Software Developer with 4.6 years of expertise in coding, debugging, and project management. Proficient in Agile/Scrum methodologies, with a strong ability to collaborate and drive efficient project execution. Skilled in problem-solving, optimizing workflows, and ensuring timely delivery of high-quality software solutions.

Skills

- JAVA 8
- CORE JAVA
- OBJECT ORIENTED PROGRAMMING(OOPs)
- SPRING
- SPRING BOOT
- MICROSERVICES
- MULTITHREADING
- ORACLE DATABASE/SQL
- PL/SQL
- LINUX & UNIX
- REDHAT JBOSS/WILDFLY
- MICROSOFT AZURE
- CONTINUOUS INTEGRATION/CONTINUOUS DEPLOYMENT
- GEN AI (HOW TO USE 100% OF AI)
- HTML,CSS,JAVASCRIPT
- VELOCITY TEMPLATE
- IDENTITY ACCESS AND MANAGEMENT
- TOAD
- ECLIPSE
- MOBAXTERM
- TELECOMMUNICATION
- BANKING

Experience

- 10/2024 - Current
Senior Consultant, **ORACLE FINANCIAL SERVICES SOFTWARE**, PUNE, INDIA
- Development of banking applications using Java, Oracle DB, and REST APIs.
 - Collaborate with clients to gather, analyze, and finalize business requirements.
 - Design and implement efficient, secure, and scalable solutions aligned with client needs.
 - Support production systems by working closely with the support team to resolve issues promptly.
 - Ensure adherence to coding standards, security protocols, and Agile methodologies.
- 04/2022 - 10/2024
SOFTWARE DEVELOPER, **AMDOCS DEVELOPMENT CENTRE INDIA**, PUNE
- Accomplished software developer with extensive experience in development and testing of applications for a prominent multinational US-based Telecommunication Company.
 - Specialized in enhancing and optimizing microservice modules within the Roaming Management System (RMS) application suite.
 - Proficient in ensuring adherence to Agile methodologies, SDLC principles, and coding standards, resulting in consistent on-budget, ahead-of-schedule project deliveries with less than 1% requirement for re-analysis or redesign.
 - Recognized for achieving remarkable efficiency improvements, reducing operational timelines from days to hours for clients.
 - Proficient in Java programming, Spring Framework, Cloud Computing, and Oracle Database, with expertise in backend development using frameworks like Spring Boot.
 - Experienced in Linux, JBoss Application Server, Telecommunications protocols, Velocity Templates, and Servlets, facilitating efficient and scalable application development across

various domains.

- Experienced in Angular development, contributing to building dynamic and responsive web applications with seamless integration of front-end and back-end systems. Skilled in implementing reusable components, optimizing application performance, and ensuring a user-friendly interface to enhance overall functionality and user experience.
- Experienced in managing day-to-day tasks in the Azure cloud platform, including resource cost optimization, GI upgrades, and performing Azure support activities for cloud-based applications.

09/2020 - 04/2022

Assistant System Engineer, **TATA CONSULTANCY SERVICES**

- Led enhancements in the Entitlements area, overseeing the end-to-end development of an Identity and Access Management (IAM) system for a USA-based Investment Banking client.
- Took ownership of daily IAM operational activities, including efficient on-boarding, off-boarding, and cross-boarding of system access, ensuring timely access management.
- Collaborated closely with cross-functional teams within IT, various business units, and external partners to define, implement, and manage enterprise roles and permissions within the system.
- Implemented front-end enhancements using Angular, developing interactive and user-friendly features for the IAM system. Streamlined UI components to ensure scalability, maintainability, and seamless user experience.
- Worked in close coordination with the Development team to address and resolve any system issues promptly and effectively.

Education And Training

06/2020

Bachelor Of Engineering, Computer Science

VISVESVARAYA TECHNOLOGICAL UNIVERSITY, BANGALORE

AGGREGATE C.G.P.A:-7.6

Certifications

Microsoft Certified: Azure Fundamentals:-AZ900

Accomplishments

- Completed Internal Learnings & Certifications in AMDOCS INDIA DEVELOPMENT CENTRE
- Received Appreciation from Client & onshore peers for delivering tasks on time without any production issues in all Companies worked for.
- AWARDED ON the Spot Award in TATA CONSULTANCY SERVICES(TCS) for completing task within a given time span.
- Have been awarded regularly with different awards and badges for completing Learning Programs.
